

STATE SENATOR RON ALTING

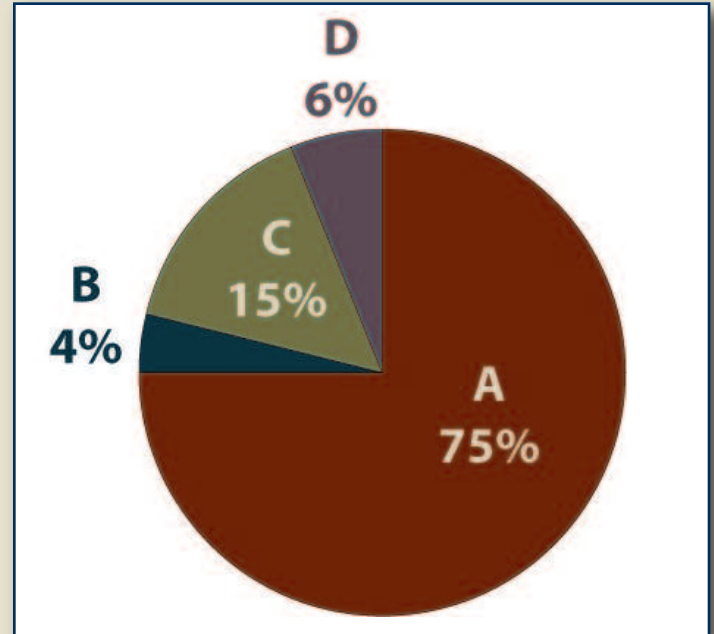

LEGISLATIVE UPDATE

200 W. WASHINGTON STREET • INDIANAPOLIS, INDIANA 46204 • 1-800-382-9467

2009 SURVEY RESULTS

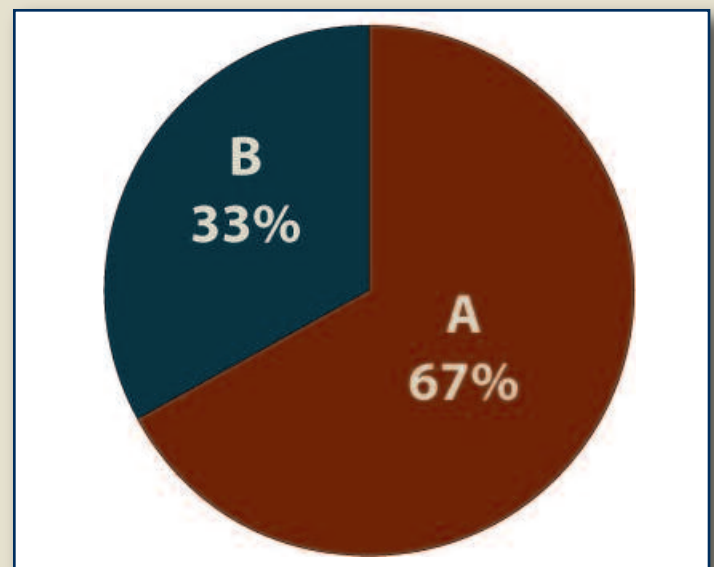

1. Forecasts predict lower-than-normal revenue for Indiana state government. Which of the following best describes how you feel lawmakers should balance the 2010-2011 biennial state budget? (Please mark the one response that most closely reflects your opinion.)

- A. Reduce government spending.
- B. Cut funding for highways and roads.
- C. Use emergency "Rainy Day" funds.
- D. None of the Above.

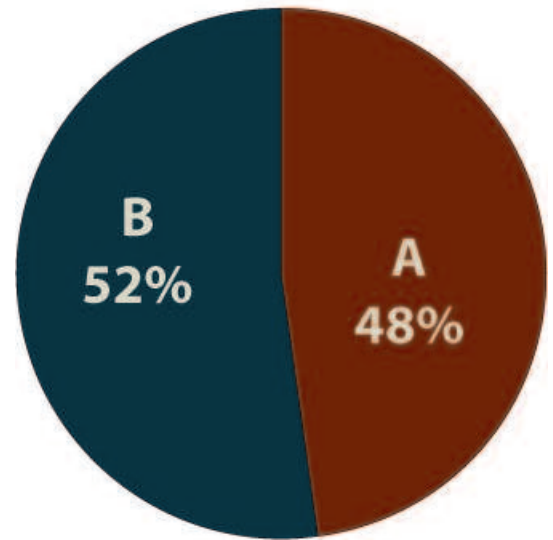

2. A constitutional amendment permanently capping property taxes on homes, farms and businesses requires passage in 2009 or 2010 by a separately elected Indiana General Assembly. Legislators will have the option this year to again vote on the constitutional amendment permanently capping property taxes. If passed, voters can then directly weigh-in on the constitutional change at ballot boxes. (Please mark the one response that more closely reflects your opinion.)

- A. An emergency exists for many regarding property taxes. Vote on the amendment as soon as possible and allow voters to decide.
- B. No emergency exists regarding property taxes. Delay the vote to see how property tax caps might impact local units of government.

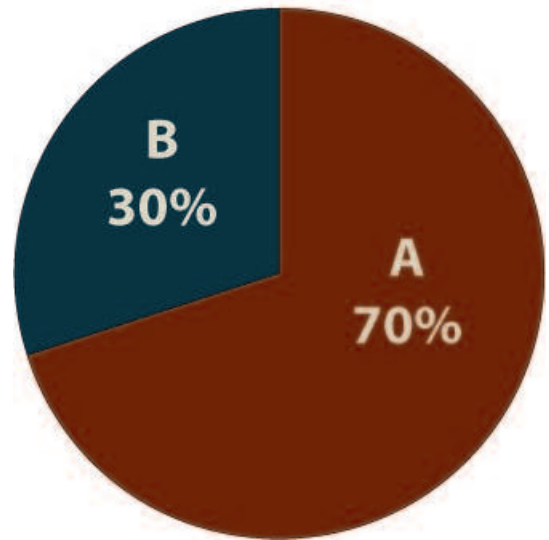

3. Do you support or oppose combining the duties of three commissioners into one and giving those duties to a single county executive who would then appoint other officials who are currently elected like the sheriff, auditor and county treasurer?

A. Support B. Oppose

4. Do you support or oppose a statewide smoking ban in restaurants, workplaces and bars?

A. Support B. Oppose

5. Do you support or oppose Sunday alcohol sales at grocery, convenience and drug stores?

A. Support B. Oppose
